CCDHH Contest

2024-2025 District Chair Planning Guide

Topic:

“How Optimism Has Guided Me Through Trying Times”

Purpose

This contest is designed to offer young people who are deaf or hard of hearing the opportunity to present their thoughts in a public forum. This experience helps contestants develop the skills and confidence to present in sign or orally to a large audience. The program also provides a valuable opportunity to compete for a \$2,500 college scholarship.

How to Enter

Contestants make a 4-5 minute presentation on a assigned topic. The presentations are judged at the Club level, Zone level (if needed) and the District level. Some Districts, due to participation levels, conduct a single District contest without Club level contests preceding the event. All Club submissions should be run through a plagiarism checker before being forwarded to the next level.

Eligibility

The contest is open to contestants through grade 12 in the United States and Canada, to CEGEP in Quebec and the equivalent in the Caribbean and the rest of the world. Contestants must submit the results of an audiogram (or Cochlear Implant Programming Report) completed no longer than 24 months prior to the date of the contest by a qualified audiologist. Contestants must be certified to have uncorrected hearing loss of 40 decibels or more, which must be supported by the audiogram (or CI Programming Report) in order to be eligible to compete. Contestants attending either public school or schools providing special services are eligible to enter if criteria are met.

Presentation Style

Contestants may use sign language, an oral presentation or a combination of both to compete. Both styles are judged using the same criteria.

Minimum Number of Participants

Zone and District contests must have no fewer than 3 contestants. In cases where the minimum number of 3 contestants at the Zone contest cannot be met, there are two options:

- A. Send Club winners directly to the next level of the contest.

- B. Combine Zone level contests.

There are no exceptions for District contests.

Contest Deadlines

Club contest date is set by the Club Chair, once the District date has been obtained.

The District contest date is set by the District CCDHH Chair. **The deadline to submit District materials to Optimist International is June 15, 2025.**

The District winners will be notified by a letter from Optimist International between June 15th and July 31st. Districts should notify the Programs department by May 15th if they would like the winner notification to be delayed.

Prizes

Scholarships are awarded to contestants in the United States and the Caribbean in US dollars and in Canadian dollars for Canadian contestants.

Club level - medallion

Clubs are allowed to give monetary/cash* awards of up to \$500 per winner for the CCDHH contest in addition to the official medallions. The Club level awards may be given in the form of a scholarship, savings bond or cash prize but are completely discretionary. Please contact the Optimist International Foundation or Canadian Children’s Optimist Foundation for setting up a Club scholarship.

*Disclaimer - Clubs planning to present cash or savings bond awards to contestant winners should first consult the association for their state or province that coordinates scholastic activities and competitions to determine if such payments would result in the recipient’s forfeiture of amateur status. If a contestant loses their amateur status, they may be unable to compete in collegiate athletics and activities.

District level - plaque and a \$2,500 scholarship

Districts choosing to increase funding for the scholarship or fund additional scholarships will need to manage those funds through other resources. Optimist International will not handle the awarding of any scholarships not funded by the Optimist International Foundations. The responsibility for record-keeping and awarding of additional funds or scholarships will be the Districts.

Districts may choose to hold the additional funds in District accounts or set up a Club Campaign through the Optimist International Foundations. Gifts for increased or additional scholarships will not be counted for District or Club recognition.

The Foundations will process requests from the Districts to have scholarship funds returned to them. Requests must be in writing and specify the type of scholarship and the amount. The Foundations will not award the scholarships or write checks to the individual scholarship recipients or their schools.

Getting the Contest Started in Your Community

The first thing your Club Chair should do is contact the District CCDHH Chair and make sure the District will be sponsoring the program. Not all Districts conduct this program, so it is important to verify that a District level contest is available to contestants in your community.

Once District participation has been confirmed, contact schools providing education for deaf and hard of hearing contestants. Some contestants will be mainstreamed, attending school with hearing contestants, while some may be educated at schools that provide special services. The local Board of Education should be contacted to find out how your community's school system works regarding this issue.

Give each school an overview of the program, a copy of the rules and Club contact information. If the school is responsive, send them contest applications. Provide the date and location of the Club's contest and keep in touch on a regular basis.

Criteria and Duties for Judges

Three judges who are not acquainted with the presenters are required. Judges must be able to evaluate the presentation style of contestants with and without the assistance of an interpreter. If all contestants are using sign language then deaf judges are allowed. Judges should have expertise working with young people who are deaf or hard of hearing.

At the Club level, judges may be Optimist Members. At all other levels of the competition, judges must be non-Optimists (Friends of Optimists are excluded and can be used as judges).

Judges are also potential new Members, so don't forget to recruit them.

The Club Chair supplies each judge with a judging form and copy of the rules. Judges should not compare scores or their impressions of the presentations. They must work independently. Only the Club Chair compiling the totals is permitted to see scores. Scores are confidential.

Interpreters

A certified interpreter is provided by the sponsoring Club/District at all competitions. They must be certified by the Registry of Interpreters for the Deaf, Inc., or a similarly recognized organization. Interpreters must be able to convey the information of the contestant to the judges. A contestant should never be required to provide his or her own interpreter.

Timekeeper

This position can be held by an Optimist Member. There are no specific requirements for this position. Their duties include recording the time of the presentation and failure to announce the topic. The timekeeper totals all participants' deductions and turns the form in to the Contest Chair. Timing will begin at the first word or sign.

After the District Contest

The District Chair should submit:

- _____ **Winner's Information Form**
- _____ **Official Zone/District Entry Form**
- _____ **Contestant's Application Form**
- _____ **Copy of Passport, Birth Certificate, or ID**
- _____ **Audiogram or Cochlear Implant Programming Report (conducted within 24 months of the contest date)**
- _____ **Typed presentation**

**Optimist International Programs
Department • Attn: Oratorical Coordinator

or fax to: 1-314-371-6006**

Please Note: Scholarships will not be processed until all paperwork has been completed in its entirety and received by Optimist International.

Contestant's Rank in Contest										

1. Material Organization **40 points**

(Subject Adherence, Theme, Logic, Content, Color)

In this category, just the material and its organization as presented by the contestant should be judged. A judge should consider the importance of adherence to the subject of the speech, the proper introduction and the logic and coherent development of the theme which brings about a successful and adequate conclusion.

Figures of speech, similes, metaphors, colorful choice of words and zestful, descriptive phrases are important qualities.

2. Delivery and Presentation **30 points**

(Delivery, Gestures, Emphasis)

Delivery and presentation shall be judged on several factors. Delivery should be continuous without hesitation or halting. Gestures should be appraised for frequency, nature and effectiveness. Emphasis should be well placed and dynamic.

3. Overall Effectiveness **30 points**

(Appeal, Impression, Attitude, Effect)

In this category the overall impression created by the speaker and the speech should be rated. While it must not be used as such, it is in making this particular score that a judge would most closely approach a conclusion that would actually rank the contestants in his or her own opinion.

Penalty Explanations

A. Use of props, costumes, etc.: The use of props or special costumes or clothing will result in a penalty of 10 points. The use of audience prompters will not be permitted and the penalty is disqualification. Notes and lecterns may be used if the speaker desires to do so.

B. Self-Identification: To eliminate any bias or prejudice, no presentation or part of a presentation may be used that identifies the contestant, their family, school, community, sponsoring Optimist Club or District. The maximum penalty is five points but is assigned by each judge based on the degree of self-identification.

C. Time Penalties: The time limit for presentations is no less than 4 minutes or over 5 minutes in length. Contestants going over or under the time limit will not be cautioned, but will be penalized one point for each 15 seconds or portion over or under the limits. These penalties will be determined by the timekeeper.

D. Failure to announce the official topic in the first sentence of the presentation: To assist the timekeeper in establishing a uniform starting time, all contestants must express the official topic of the presentation in the first sentence. A three-point penalty must be assessed by the timekeeper.

E. Failure to complete the presentation: Each contestant must complete the entire presentation. Penalty is disqualification.

The official timekeeper shall use a regulation stopwatch or equivalent timing device, which will be supplied by the Contest Chair.

Time Penalties

The time limit for speeches will be not under 4 minutes or over 5 minutes in length. Contestants going over or under the time limit will not be cautioned, but will be penalized one point for each 15 seconds or fraction over or under the time limit. These penalties will be determined by the official timekeeper.

Timing will begin at the first word or sign. Any salutation to the judges, audience, etc., should precede the statement of the topic. Timing will stop when the contestant finishes the presentation.

All contestants must express the official topic in the first sentence of the presentation. If a contestant fails to do this, a three- point penalty is automatically assessed by the timekeeper.

Failure to identify non-original material verbally

Any non-original material in the speech must be noted in the printed copy of the speech. If a contestant fails to identify all non-original material, the result is disqualification. The penalty is assessed by the timekeeper.

The CCDHH Contest Chair should check the math for each contestant's score. Enter the final point grades and ranks on this report form. The Contest Chair should announce the results from this form. For preliminary contests, the Chair will name by letter the two or three best contestants without announcing first, second or third place. For final contests, the Chairperson will name by letter the third, second then first place winners.

To determine rank in Club, Zone and District contests, each judge ranks the speakers as 1,2,3, etc., according to their scores. Ties are not permitted.

At the end of the contest, the Chair collects the judges' score sheets and checks the math. The point grade and position of rank for each contestant is entered on the Official Report Form for each judge. The winning contestant is then determined as follows:

1. If any contestant is ranked first by a majority of the judges, he or she is automatically declared the winner. This method is not used to rank a contestant second or third.
2. All other contestants are ranked by the "total of rank" system. This means that the rank, not the points each judge has given each contestant, is added and this figure is placed in the Total of Rank column. First-place is determined by this means also, if no one qualifies under the method explained in #1 above. The lowest total wins first place, the next lowest second-place and so on.

3. If a two-way tie results for any place, it is broken by a preferential vote. Using the rankings given on the ballots, a tabulation is made on the number of judges who placed one of the tied contestants higher than the other. Example: Two contestants, speakers D and H, are tied for third place and each has received a rank of nine. Speaker H would be declared the third-place winner as two judges (#2 and 3) ranked H higher than speaker D, who would be ranked fourth in the contest.

Contestants' Rank of Order	Rank of Judge 1	Rank of Judge 2	Rank of Judge 3	Total of Rank
D	3	4	2	9
H	5	3	1	9

4. If a three-way tie results by the total of rank system, then and only then, are the point grades for each contestant totaled to break the three-way tie.

Caution: Scores and rankings should be checked by a second person to ensure accuracy, but remember this information is confidential. Announcing the winners incorrectly could be disastrous!

Please keep in mind that District level scholarships cannot be funded if the required minimums at the Zone, Regional and District contests are not met.

All Zone and District contests must have no fewer than 3 contestants participating.

In cases where the minimum number of contestants at the Zone contest cannot be met, there are 2 options:

- a. Send Club winners directly to the next level of the contest.**
- b. Combine Zone level contests.**

There are no exceptions.
