“How Optimism Has Guided Me Through Trying Times”

Section III - Qualifications for Contestants

2. A contestant is eligible to enter/compete in only one Optimist Oratorical contest during a contest year (October 1 to September 30). Once a contestant wins first place at the Regional level of the Optimist International Oratorical World Championships, they are ineligible to compete in the Optimist International Oratorical Contest at any level again.

Purpose

Since its start in 1928, the Optimist Oratorical Contest has become the longest-running program sponsored by Optimist International. The contest is designed for youth to gain experience in public speaking, perfect self-expression, gain self-assurance, improve communication skills, and provide them with the opportunity to compete for a college scholarship.

Funding

The Optimist Oratorical Scholarships are funded by member donations to the Optimist International Foundation and Canadian Children’s Optimist Foundation. It is important that all Members understand the significance of supporting the Foundations in order to continue the funding for the contest. Please make sure to recognize the Foundations and any member that donates funds to the scholarships. Without them, there are no scholarships!

Club Contests

A Club may be represented at District level by only two qualified contestants. All Club submissions should be run through a plagiarism checker before being forwarded to the next level.

District Contests

Each winner of the District level contest will receive a scholarship for use at a college, university or trade school only. There will be three winners awarded scholarships of **\$2,500**, **\$1,500** and **\$1,000** respectively for first, second and third place.

The World Championship Oratorical Contest

Districts may enter one contestant into the World Regional and World Championship Contests held **July 17-18, 2025** at Saint Louis University in St. Louis, Missouri. Please encourage your District Clubs and Members to help fund your District Winner and chaperone to attend the Optimist International World Championships.

All District winners are strongly encouraged to compete at the World Oratorical Championships in person at the designated locations.

How to Enter

Interested youth should prepare a 4 to 5 minute speech on the assigned topic to be presented at their local Optimist Club’s contest. The speeches are judged at the Club level, Zone level, District Regional level (if needed) and then at the District level prior to the Optimist International Oratorical World Championships. Clubs and Districts may choose to allow contestants to compete via online streaming.

Eligibility Criteria

The contest is open to contestants under the age of **19** as of October 1st of the current Optimist International contest year (October 1 – September 30) **and who have not yet completed secondary school or its equivalent, including CEGEP students in Québec, Canada.** There is no minimum age.

Minimum Number of Participants

There is no minimum required number of participants for Club Contests. Zone, Regional and District Contests must have no fewer than three participants. In cases where the minimum number of three contestants at the Zone or District Regional contest cannot be met, there are two options:

- A. Send winners directly to the next level of the contest.
- B. Combine Zone or District Regional level contests.

Contest Deadlines

Club contest dates are set by the Club Chair, once the Zone and District dates have been obtained. Zone contest dates are set by the District Oratorical Chair with the Lieutenant Governors to occur prior to the District contest date. The District contest date is set by the District Oratorical Chair. **The deadline to submit District winners to Optimist International is May 15, 2025.**

District winners will be notified by a letter from Optimist International between May 30th and June 15th. Districts should notify the Programs Department if they would like winner notification to be delayed.

Districts may enter one contestant to participate in the World Championship Contests held at Saint Louis University. The Entry Form for the World Championships must be received by Optimist International no later than **May 15, 2025.**

Prizes

Scholarships are awarded to contestants in the United States and the Caribbean in US dollars and in Canadian dollars for Canadian contestants.

Club Level - medallion

Clubs are allowed to give up to \$500 in monetary/cash* awards for the Oratorical contest in addition to the official medallions. The Club level awards may be given in the form of a scholarship, savings bond or cash prize but are completely discretionary. Please contact the Optimist International Foundation or Canadian Children's Optimist Foundation for setting up a Club scholarship.

* Disclaimer - Clubs planning to present cash or savings bond awards to contestant winners should first consult the association for their state or province that coordinates scholastic activities and competitions to determine if such payments would result in the recipient's forfeiture of amateur status. If a contestant loses their amateur status, they may be unable to compete in collegiate athletics and activities.

Zone and District Regional Level – plaque

Certificates may be created by the Zone or District and templates are available on www.optimist.org.

District Level - plaque and a college scholarship

Districts should order plaques directly from Shumsky in the U.S. and Caribbean or Ansell's in Canada.

Districts award scholarships in the amount of \$2,500, \$1,500 and \$1,000.

Districts choosing to increase funding for the scholarships or fund additional scholarships will need to manage those funds through other resources. Optimist International will not handle the awarding of any scholarships not funded by the Optimist International Foundations. The responsibility for record-keeping and awarding of additional funds or scholarships will be the District's. Districts may choose to hold the additional funds in District accounts or contribute those funds to the Optimist International Foundations.

The Foundations will process requests from the Districts to have scholarship funds returned to them. Requests must be in writing and specify the type of scholarship and the amount. The Foundations will not award the scholarships or write checks to the individual scholarship recipients or their schools.

World Championships –Scholarships are awarded to each Regional winner in United States dollars in the US, Caribbean, and the Global Region winners and in Canadian dollars to winners in Canada in the amount of at least \$5,000. In addition, scholarships in the amounts of \$15,000, \$10,000, and \$5,000 will be given to the first, second, and third place World Champions, respectively. An additional scholarship may be awarded to participants by Saint Louis University at its discretion.

Each Regional winner and World Champion will receive a certificate of participation. The first place World Champion will have his/her speech presented to the delegates of the Optimist International Convention.

Interested in Providing a Club Scholarship to Your Winner(s)?

Setting up a Club Campaign Fund through the Optimist International Foundation is an excellent way to establish a scholarship program from your individual club. It is a great vehicle to all tax-deductible gifts from members and non-members. For more information, contact OIF at info@oifoundation.org

Getting the Contest Started in Your Community

Your Club may approach local schools to distribute information and coach interested students in preparation for the Club level contest. The program is recommended by both the **National Association of Secondary School Principals** and the **American Association of School Administrators**. This endorsement can go a long way when your Club is requesting that principals and teachers offer this program to their students. Reach out to the Department of

Education to get contacts for home-schooled students. Contact local, private, parochial schools, PTA/PTO, Youth Clubs such as Boy/Girl Scouts and Big Brothers/Big Sisters. Be sure to supply everyone you contacted with a Club Member's name and phone number.

Judges 'Criteria and Duties

Select three qualified judges who are not acquainted with the contestants. At the Club level, the judges may be Optimist Members. At all other levels of the competition, judges must be non-Optimists (Friends of Optimists are excluded and may be used as judges). Judges should have expertise in the field of public speaking. Consider using past Oratorical contestants, current or retired debate, speech, or drama teachers, and community business leaders.

Always have a back-up judge, in case of an emergency. Judges are also potential new Members, so don't forget to recruit them!

The Oratorical Contest Chair should supply each judge with a copy of the rules and the judging forms and review them with each judge prior to the day of the contest.

Judges should never discuss or compare their impressions of the speakers or their scores. Each judge must score independently from other judges and Optimists. No one is permitted to view the scores except the Oratorical Contest Chair.

Timekeepers

One timekeeper should be appointed. This person can be an Optimist Club Member (but it is suggested that you do not use an Optimist member, if possible). The timekeeper is responsible for recording the official length of each speech and assessing penalties if needed, noting failure to announce the topic in the first sentence, verbal identification of non-original material as noted in the printed copy of the speech and totaling all penalties on the timekeeper's score sheet. The timekeeper will need the official form, pen, stopwatch and a copy of each participant's speech. The completed timekeeper's score sheet is turned in to the Contest Chair to be included in the master scores of each speaker.

Handling Protests

A Sergeant-at-Arms should be the contact for protests and given index cards and pens/pencils to distribute when necessary. Anyone who wishes to protest should raise their hand at the completion of the contestant's speech before

the next speaker begins. The Sergeant-at-Arms gives the person protesting an index card and pen/pencil. The protest must be written on the card. The Sergeant-at-

Arms collects the card as soon as it is completed. This process is repeated for any person who wishes to make a protest. The Contest Chair collects the protest cards before leaving the room to compile scores. Protests are addressed at that time by the Chair and decided. Any adjustments judges need to be aware of will be made at that time. This procedure allows the students to compete without interruption or embarrassment, allows for an accurate description of the protest to be reviewed and should prevent any disturbance or public discussion.

Videotaping Guidelines

All Oratorical contests must be conducted live, not judged on videotape. However, you may allow for the use of one video camera at a contest to give participants a take-home copy of their speech. Each contestant shall have the option of having the camera off during his/her presentation. An Optimist Club Member should run the camera. A tape supplied by the Club or contestant is put into the camcorder at each break between speakers. The tape should be labeled with the speaker's order designation. When the speaker is finished, the tape is removed and a new one is inserted. This process is repeated for each contestant who wants a copy of their speech. A master copy could also be recorded of all speakers, and then copied for contestants. This gives everyone the chance to have a copy of their speech, and allows the contestants to make their speech with minimal interference.

Photography

Be sure the Application Form includes the Parent or Guardian Release statement for the use of photographs.

2024-2025

The District Oratorical Contest Chair is responsible for all phases of the Oratorical Contests in the District. All District competitions must be conducted by Optimists only, and this responsibility must not be delegated to outside groups.

Instructions to Judges

The contest scoring has been divided into four phases. The general intent of each phase is as follows:

1. Poise 10 points

2. Content of Speech 40 points

(Subject Adherence, Theme, Logic, Content, Color)

In this category just the material and its organization as presented by the contestant should be judged. A judge should consider the importance of adherence to the subject of the speech, the proper introduction and the logic and coherent development of the theme which brings about a successful and adequate conclusion. Figures of speech, similes, metaphors, colorful choice of words and zestful, descriptive phrases are important qualities.

3. Delivery and Presentation 35 points

(Voice, Pronunciation, Enunciation, Gestures, Emphasis)

Delivery and presentation shall be judged on several factors. Voice quality should be recognized in tone, pitch and volume. Delivery should be continuous without hesitation or halting. Enunciation and pronunciation are most important. Gestures should be appraised for frequency, nature and effectiveness. Desire to be convincing should be obvious and emphasis should be well placed and dynamic.

4. Overall Effectiveness 15 points

(Appeal, Impression, Attitude, Effect)

In this category the overall impression created by the speaker and the speech should be rated. In this phase of scoring, the general overall impression is given actual point values. While it must not be used as such, it is in making this particular score that a judge would most closely approach a conclusion that would actually rank the contestants in his or her own opinion.

Penalty Explanations

1. **Use of props, costumes, etc.** - The use of props, special costumes or clothing **will result in a 10 point penalty.** Notes and lecterns may be used if the speaker desires to do so.
2. **Use of audience prompters will not be permitted and will result in disqualification.**
3. **Self-identification** - To eliminate any potential bias or prejudice, no reference can be made that identifies the contestant, parents, school, community, sponsoring Optimist Club or District. This will result in a deduction of **up to 5 points.**
4. **Time penalties** - The time limit for speeches is not less than 4 minutes or over 5 minutes in length. Contestants going over or under the time limit will not be cautioned, but will be penalized 1 point for each 15 seconds or portion thereof over or under the limits. These penalties will be determined by the timekeeper. Timing will begin at the first word spoken.
5. **Failure to announce the official topic in the first sentence of the speech** - All contestants must express the official topic in the first sentence of the speech. A 3-point penalty must be assessed by the timekeeper for failure to state the official topic.
6. **Failure to complete the speech.** Each contestant must complete the entire speech. The penalty is disqualification.
7. **Failure to identify non-original material.** Any quotation or copyrighted material used must be identified verbally. The failure to do so will result in **a penalty of up to 10 points.**
