

Financing Your District Tournament and Fundraising Ideas

Revised: 10/18/2024

Pre-Qualifier / Qualifier Fees

Districts are responsible for paying \$12.00 per participant for all golfers participating in your pre-qualifiers and qualifying tournaments. The number of qualifying spots granted for future Optimist International Junior Golf Championship will be determined by the number of participants that are indicated on the District Qualifying Report Form and for whom the qualifier fee is paid. This fee helps defray some of the costs that Optimist International incurs in running such a prestigious program. District Chairs should submit the District Fee Report Form along with the \$12.00 per participant fee. District support is essential for the success of the Optimist Junior Golf Program. **To help obtain these fees most Districts include qualifier fee in the golfer's registration.**

PROMOTE the Value for a Golfer to Attend the Championship

The registration fee is **\$750 US** per golfer which Includes:

- Tournament Entry Fee
- Golf-tournament rounds (practice rounds not included)
- 5 night lodging
- 5 breakfasts and 4 dinners
- And access to all Special Events

Additional fees do apply for parents/family attending which includes their housing and meals as well. Due to the exclusive nature of the event, golfers are required to stay at Trump National Doral Resort and Spa.

District Financial Responsibility

- District qualifier fees as noted above and
- It is suggested that Districts cover the first place boy 16-18 and girl 15-18 winners and other divisions, if funds allow: Payment of registration fees are \$700.00 per winner.

Golfers from Outside of your District

If a junior golfer from outside your District plays in your tournament and wins, your District is not responsible for paying their registration costs.

You may choose to do so, but if your District feels strongly about only supporting junior golfers from within your own District, you should pay the registration costs for the highest finisher that resides within your District.

(The qualifying procedures publicized for players will read as follows: "If a junior golfer chooses to qualify outside of their District, Optimist International cannot guarantee that their registration fees will be paid should they win that event.")

Costs for District Winners Only

The registration fee for a first place winner is **\$700 US**. Any registration payments that are being paid for by the District **MUST** be mailed to Optimist Junior Golf immediately following qualifier with appropriate District Qualifier fee report.

Make all checks payable to: Optimist International Youth Programs Foundation, Inc.

If a golfer is not able to attend or cancels, money will be returned to District or applied to another golfer.

Who receives the District Winner Discount?

A discount of **\$50** will apply only to the first-place winner in each District-sponsored age division. In cases where the first place winner is an out-of-District golfer, the discount would then be applied to the Out-of-District winner and to the next place in-District golfer.

In the event the first-place winner does not attend. The discount does not apply to the second place/alternate winner. Discounts do not apply to Commuters.

Registration Fee	\$750.00
Discount	<u>-\$50.00</u>
Total	= \$700.00

District Tournament Registration Fees

Your tournament registration fees greatly affect the success of your District qualifying tournament. It is recommended that your calculations be based on the turnout of the previous year's event.

Communication within your District should start as early as possible with details of your tournament plans, financial requirements, and volunteer needs.

Your tournament registration fees must cover greens fees and should also help offset the District's costs in sending the first place winners of each age group and paying the \$12.00 pre-qualifier and qualifier fees. Your entry fee should be comparable to similar junior tournaments in your area.
