

KIDS SPEAK OUT!

Option 1

Optimist
INTERNATIONAL

Topic: “Optimism – A Way of Life”

All young people can legitimately compete in the Optimist Oratorical Contest.

However your club is encouraged to conduct a ‘pre-Oratorical’ program that will ultimately provide a pool of oratorical contestants prepared for competition at the District and International levels.

The ‘Kids Speak Out’ program is broadening its scope to engage children in our primary/preparatory and elementary schools to compete with their fellow students and importantly with children of other schools across the Zones and District. This Club and District option will be for students up to and including age 11, effective for the 2021-22 year.

The desired outcome of this competition is to give the competitors the opportunity to compete at different levels: school, club, zone ... thereby gaining experience and confidence in preparation for the Oratorical Contest at the higher level.

Although contestants with the highest scores are selected ... emphasis should be placed on making all contestants feel like winners for having participated.

The ‘Kids Speak Out’ topic will be a variation of the Oratorical Contest topic.

The rules for the competition and Judges score sheet are provided.
