If you have any questions or would like more information about Optimist International and the volunteer work we do, our volunteers here at the tournament would be happy to help you.

My best wishes to all the participants for a successful and rewarding tournament. Have fun, enjoy the challenges of the game, and make friends from around the world! Optimist Golf Code of Conduct

The Optimist International Junior Golf Championships takes great pride in the quality of its players, host facility and volunteer involvement. Optimist Junior Golf requires all players and guests to adhere to a set of guidelines. Tournament play will be conducted in accordance with USGA rules, Code of Conduct and local course rules.

Disqualification Policy
Disqualification will occur if during a competitive round of the tournament a player refuses to continue play after a rules official releases the player to continue play. Failure to report for your tee time, leaving the course without the notification and approval of a Rules Official, or any other already published reason will also be automatic disqualification. All printed and published results at the end of the tournament will reflect a disqualified status.

Dress Code
Proper golf attire is required at all times during the practice round and tournament play. Questionable attire will be reviewed by the Tournament Director. Players in violation of the dress code will not be permitted to tee off and may be assessed stroke penalties.

• Hats/visors must be worn with brim forward.
• Collared shirts must be worn and tucked in at all times with the following exceptions: women’s shirts without a collar must have sleeves. Men’s shirts without a collar must have a tight neck fit. T-shirts are prohibited.
• No tank tops, short-shorts, denin shorts, cut-off shorts, gym shorts, t-shirts or jeans are allowed during play on the course. Appropriate resort attire is required at all times while off the golf course.

Violations ON and OFF THE COURSE

• Unsportsmanlike conduct, including abusive language, club throwing, disrespect to volunteers, officials or fellow competitors, or abuse of golf course property.
• Use of drugs or alcohol, smoking or chewing tobacco products—a zero tolerance policy in effect.
• Not adhering to the dress code during practice round or tournament play.
• Use of cell phones can only be used to notify a tournament official for a ruling or medical attention. Please make sure they are turned off during play. Headsets is strictly prohibited and may result in disqualification.
• Any use or association with drugs or alcohol, smoking or chewing tobacco products—a zero tolerance policy is in effect.
• Vandalism at the hotel or its surrounding properties, abusive behavior to any volunteer or tournament official.
• Damages in any rooms will be the financial responsibility of the players occupying the room. Please report and accidental damage to your chaperone or at the tournament office.
• Any player failing to attend the player orientation is mandatory. Any player failing to attend the player orientation may be subject to disqualification.
Spectator Code of Conduct

Spectators are welcome and are free of charge. In golf, customs of etiquette and decorum are just as important as rules governing play. It is appropriate for parents and spectators to applaud successful strokes, but in order to secure the spirit of the game, we ask parents and spectators to please adhere to the following guidelines. Please note that if any of the following guidelines are perceived as broken by a Rules Official, the player may be subject to penalty.

- Advice (Rule 8) is any counsel or suggestion which could influence a player in determining his play, the choice of a club or the method of making a stroke. In addition, any conversation between player/spectator may be construed as advice. This includes any conversation between player/spectator in their native language. In either instance, penalty for breach of this rule is two strokes. Players are responsible for the actions of their relatives and spectators in regards to this rule.
- Keeping the above statement in mind, please keep your conversation with the player to words of encouragement as long as advice is not given.
- Spectators attend Optimist Golf events at their own risk.
- Please turn off all cell phones while on the course.
- Spectator carts are not allowed at the Championships. Other Optimist Tournaments are based on availability for a fee.
- Spectators should stay on cart paths. In the absence of cart paths, we ask that spectators stay in the rough. Please stay off fairways, tees and greens.
- Spectators should stay one shot ahead of the group they are following. This allows spectators to follow errant shots and help identify where the ball comes to rest. Spectators are allowed to aid in the search for lost golf balls.
- Spectators should not give rulings. Please seek a Rules Official if the need arises.
- Spectators are allowed to carry medicine, drinks, food, umbrellas, etc.
- The Rules Official may assess a penalty to the player based on the severity of the spectator violation. If a serious breach has occurred, the spectator may be asked to leave the facility.
- For your personal safety, we ask you exercise caution at all times. When inclement weather moves into the area, play will be suspended by sounding airhorns. Accordingly, you should seek shelter immediately. The staff will evacuate players from the course first and then spectators.
- Spectators are not permitted to consume alcoholic beverages while on the golf course, in any Optimist meal function or planned indoor event.

Violation Penalties

One stroke penalty for each act of unsportsmanlike behavior on the golf course. A serious act of unsportsmanlike behavior on the course may result in the player being immediately disqualified from the tournament, subject to review of the Rules Committee. Any Code of Conduct violation off the course may also result in the player being disqualified from the tournament and immediately sent home subject to review of the Junior Golf Committee.

Withdrawal Policy

This policy will allow for withdrawals for medical reasons or for emergencies. The medical reason must be verified and approved by a Rules Official and Tournament Director. If a Rules Official and Tournament Director deems the player is healthy enough to continue and the player refuses, the player will be disqualified. The entire group involved will be held at the point of stoppage and other groups will play through. A rules official will restart the group. All play must comply with all current tournament rules and policies. The player must notify and receive approval of a rules official prior to leaving the course. The decision of the Rules Committee is final. If a family emergency, on or off site occurs, the Rules Committee may allow a player to withdraw. The reason or reasons must be verified by the Rules Committee. All printed and published results at the end of the tournament will reflect a withdrew status.

A Brief History of the Optimist International Junior Golf Championships

Since 1978, Optimist-sponsored golf tournaments have served as a springboard for many of golf’s greatest players. Lexi Thompson, Jason Day, Phil Mickelson, Ernie Els, Tiger Woods, Michelle McGann and Brooke Henderson are just a few of today’s elite players who found their humble beginnings with the Optimists.

This world-class event originated in 1968 when three leaders of the San Diego County Junior Golf Association formed Junior World Golf. In 1978, through the action of Dudley Williams, a lifelong San Diego resident and soon-to-be President of Optimist International, the Optimists became a sponsor of the event, thus creating “Optimist Junior World.” Through this partnership, Optimist International began holding qualifying tournaments for 15- to 17-year-olds across the United States and Canada. As a result, 55 tournaments drew more than 3,500 entrants.

The Optimist continues to be one of the best-known junior tournaments in the world with more than 5,000 golfers, ages 10-18, participating in qualifying tournaments each year.

Annually approximately 700 of the best junior golfers, representing over 25 nations, 45 states and five Canadian Provinces, converge for a week of unsurpassed competition, fellowship and fun.
Optimist Clubs are dedicated to “Bringing Out the Best in Kids” and do their part through community service projects. Since each Club is autonomous and run by members in their community, Optimists have the unique flexibility to serve the youth of their area in any way they see fit. Optimist Clubs see a need in their community and react to it.

Optimists strive to live up to their name and maintain an upbeat attitude, which they try to pass along to the children they serve. The words of The Optimist Creed are well known to Optimist volunteers and beyond. The creed gives volunteers a focus for personal improvement as they work to better the world around them.

**Optimist Creed**

**Promise Yourself**

To be so strong that nothing can disturb your peace of mind.

To talk health, happiness and prosperity to every person you meet.

To make all your friends feel that there is something in them.

To look at the sunny side of everything and make your optimism come true.

To think only of the best, to work only for the best, and to expect only the best.

To be just as enthusiastic about the success of others as you are about your own.

To forget the mistakes of the past and press on to the greater achievements of the future.

To wear a cheerful countenance at all times and give every living creature you meet a smile.

To give so much time to the improvement of yourself that you have no time to criticize others.

To be too large for worry, too noble for anger, too strong for fear, and too happy to permit the presence of trouble.
