Resource Library – Coming in October 2017

The Leadership Development Committee is putting together an online Resource Library that will have information to help our Members. There will be Webinars on various topics that can be downloaded and watched either individually or in meetings. There will be “How to” videos available on items like “how to do an elevator speech” or “how to install a new member”. There will information on Club fundraisers available and there will be training presentations available with speaker notes that a member can present without having to reinvent the wheel.

Please check future issues of the “Hotline” for specific location information.
