

With the Foundation, let's build bridges...

towards the 100th Optimist International Convention!

Dear Optimist member,

In the new Optimist year, be proud to make a donation to the Canadian Children's Optimist Foundation and build a bridge towards the 100th Optimist International Convention.

- **To all the Dime a day and more donors who have contributed before **December 31, 2017**, we will draw 10 basic registrations to the Ottawa International Convention.**

Be proud that at least 10% of the members of your club are dime a day donors and that your club gave at least \$100.

- **Each club where 10% of members have all given a minimum of 10 cents a day will receive a ticket for a drawing for a basic registration to the Ottawa International Convention. In addition, each club which has contributed a minimum of \$100 will receive a ticket for another basic registration. The club which has reached these two goals and whose total donations reaches \$1,000 by **March 31, 2018** will automatically receive a reimbursement of one basic registration to the Ottawa International Convention.**

Be proud that 10% of your district members make a donation to your Foundation and the total of those donations increase by 10% over 2016-2017.

- **We will refund a basic registration at the Ottawa International Convention and 3 free hotel nights to the DFR who meets this goal by **June 30, 2018**.**

Be proud to shine Optimism all around and to contribute to building a bridge towards the 100,000 members for the 100th Optimist International Convention.

With the Foundation, together, let's build bridges...towards tomorrow!
