

# KIDS SPEAK OUT!

All young people can compete in the Optimist Oratorical Contest. The “Kids Speak Out” contest is a “pre-Oratorical” program that provides a more equitable competition for younger speakers.

The real test of this program is not who wins, but rather providing the opportunity for boys and girls to gain experience in speaking to an audience.

Although winners can be selected, emphasis should be placed on making all contestants feel like a winner merely by participating.

Your Optimist Club can provide the supplies needed such as forms, certificates and medals.

The rules contained in this brochure can be adapted to suit the needs of your school and teachers.
