Fellow Optimist,

As we began the 2017-2018 Optimist year we had a vision to Reach New Heights Together, and we accomplished our goal through the dedication of many to the Optimist International Foundation efforts. Two leading examples of that remarkable effort are that Member giving increased to 7% and Club donations were at 33%.

The money we collect and safeguard funds the programs our Clubs and Districts work hard to maintain for the youth they serve. When we are tired from an event we just finished, the smiles on the children’s faces rejuvenate us, and we are ready to go again. Financial contributions make that consistency possible.

Some of the highlights of the past year include:

- Initiation of the Trendsetter Award. We challenged our DFRs to add three new Presidents Club Members and maintain the previous year total, or add 20 new Dime a Day Members and maintain previous year total. We had 13 DFRs accept the challenge and receive honors on stage at the Optimist International Convention in Ottawa. It was my privilege to recognize this original class of outstanding performers.

- The creation of the inaugural class of Lifetime Members to the William H. Harrison Society. Members reached a lifetime-giving total of $100,000 or more to the Optimist International Foundation. It was a tremendous honor to recognize these amazing Optimists on stage at Ottawa. We are so proud of all of you.
  The group consists of: Gary Addison, Indiana South; Patricia Beouy (deceased); Bob & Toni Garner, Florida; Ron Graves, South Texas; Karen Monville, Michigan; Herb Strather, Michigan

I would like to offer special congratulations to our 15 Distinguished DFRs and our 3 Outstanding and Distinguished DFRs. You led your districts to Reach New Heights Together. That is the key to your success.

- The World Oratorical Contest was initiated during my tenure on the OIF Board. The program originally drew some skepticism due to concerns over how it would be funded. This past year OIF stepped forward to cover the U. S. and Caribbean and World Regional winners, plus the first-, second- and third-place winners from those respective areas.

We watched Dominique from California give a flawless speech to win second place in the international contest. You might wonder whether that is simply what is expected of contestants, however, Dominique overcame a speech blockage to earn her achievements. Keep working on it, Dominique!

The past four years serving on the OIF Board and my final year as President are very special. I was lucky to work with dedicated board members who shared my passion for the importance of OIF in the complete picture of Optimist. We worked as a family, and I will have fond memories forever.

Thank you for allowing me to serve our members.

Sandra Williams, President
