

# Catch a Rising Star Instructor Agenda 2 hours

Welcome – Governor Elect

Ice Breaker

- Something to loosen up attendees and help them get to know each other

Why Am I Here?

- Attendees will be questioning why they were invited.
- Make them feel special

You are...

- Description of the characteristics of a leader

Benefits of Leadership

- Listing personal and professional benefits to being a leader
- AND benefits to volunteering

Evolution of Where We Are Today

- Small sampling of the history of the organization
- Members don't always know how big their organization is. Help them see outside of the box they know as their club or their zone or their district.

Club Structure

- Understanding the suggested club structure which is based on a club of approximately 75

Organization Structure

- Getting a bigger picture of how the organization is run
- Question attendees on their knowledge of who currently fills these positions

**BREAK**

Communication Types

- Explore different forms of Verbal and Non-Verbal Communication
- Use a group activity to get people up and involved in this section using 1 way communication and 2 way communication.

## Communication Styles

- Begin with the Quiz for each attendee
- Handout the breakdown after discussion

## **BREAK**

## Opportunities Within the Club

## Opportunities Within the District

## Opportunities Within Optimist International

## Benefits of Exploring New Opportunities in Optimism

- Make this that final opportunity to point out why getting involved at a higher level is advantageous for the attendees.
- Look for attendees to help make this point with you

## Personal Testimonials

- Make sure to ask a couple individuals like the Governor Elect to be prepared to speak at this time.
- Have your own story ready and begin with it. What have you gained from growing through the opportunities in the organization.
